Chamber Cleanup Drive Starts April 24

A month-long cleanup campaign, featuring free city rubbish disposal service, will get underway in Sierra Madre starting April 24.

Sponsored by the Sierra Madre Chamber of Commerce, the campaign is under the direction of Robert H. Green, Chamber president; and Don Jackson and John H. Curtis, co-chairman.

On Saturday, May 24, from 7 a.m. to 3:30 p.m., city trucks will be available in the city water grounds for residents to dispose of their trash and rubbish, free of charge. Residents may bring rubbish in their own cars or trailers to the water grounds.

THE CHAMBER also is planning to appoint Manuel de la Torre, a member of the Cleanup Committee, to work with the city on its tree-planting program. The city is expected to have about 300 trees for planting in parkways.

Other aspects of the campaign, which will be published weekly in The Sierra Madre News, include:

1. A cleanup of front yards, including pruning, trimming and fertilizing.
2. Painting, washing and repairing.
3. The removal of trash heaps and the cleaning of dirty garages.
4. The repair of leaky faucets, defective furnaces and stoves and the checking of cellars and closets for inflammable materials.

The purpose of the Chamber's cleanup campaign is to increase property values through cleanliness and renovation, prevent fires by removing inflammable junk, and to teach children and adults the value of working together to make the city a better place in which to live.

Sears Sets Septemb'r Opening

The new Sears, Roebuck store at Michillinda and Foothill Blvd. is expected to open in September and will hire up to 1,000 employees, Sears Manager Donald LaMotte said yesterday.

LaMotte, speaking before the Sierra Madre Kiwanis Club, also predicted that the new store, which is expected to attract thousands of customers from the northern San Gabriel Valley, should help surrounding small businesses, including those in Sierra Madre.

"We always try to locate," said LaMotte, "in an area where there are a lot of small businesses. It's good for us and it's good for them."

THE NEW store, he added, will have approximately 1,000 employees at the peak business periods, such as December, and will drop to about 405 during other months when business normally suffers a seasonal decline.

One of the primary reasons Sears decided to move from downtown Pasadena to its new location, he said, was parking. There will be 1,251 parking spaces on Sears' new lot plus 650 spaces in the adjacent shopping center.

He also pointed out that the San Gabriel Valley has grown faster in the past few years than did the San Fernando Valley during its peak period.

"A great many of our customers," he said, "were coming from the east, so we decided we would have to move."

Referring to the zoning fight the company had after it first announced its new location, LaMotte said:

"Our entire building and service station," he said, "is now in what was originally a commercial zone. The only variance we had to get involved 150 feet on the east side of our property."

THE NEW store is located on 16 acres and will be surrounded by 43,000 plants. Speaking humorously, LaMotte said:

"We are going to have one of the best parks in this area, and in a couple of years when all these plants grow up, I doubt if you'll be able to see our store from Michillinda."

Little League Opener Set On April 28

Sierra Madre's first Little League game will be played April 28 when the Red Sox meet the Dodgers in Sierra Vista Park.

From then on until the end of the season, two games will be played every week, starting at 5:30 p.m. The Red Sox and Dodgers are sponsored by Rasmussen Appliances and Don Jackson's Men's Wear, respectively.

The 15-member squads were selected last week after extensive tryouts and new uniforms will be issued to the players soon. The City Recreation Commission will provide officials for all Little League and Babe Ruth games.

More coaches, managers and assistant managers are still needed by the Minor League, with nearly 40 boys, and the Babe Ruth League, with 55 boys. Anyone who can assist should call Dixie Tiller at ELgin 5-9363.

The Sierra Madre Baseball Association will hold its regular monthly meeting tomorrow night at 8 o'clock in City Hall.

Brownies to Host Scout Official From England

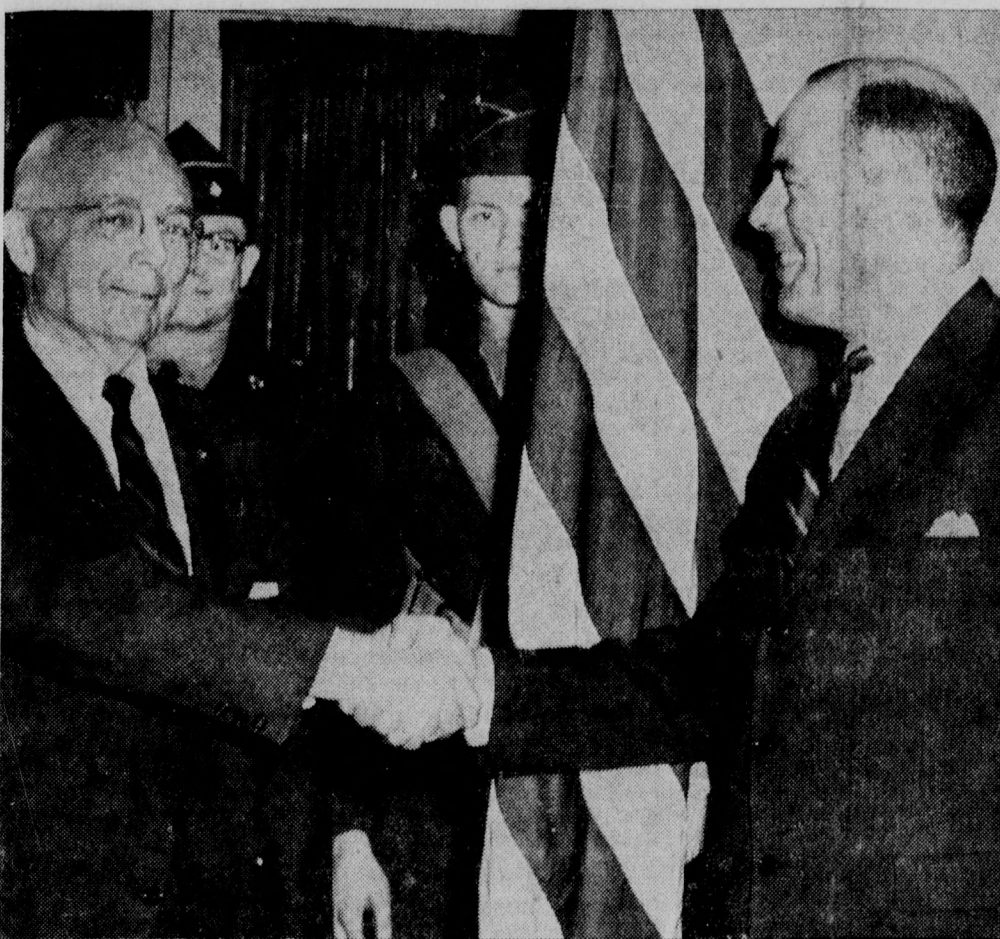

At their regular meeting Friday, April 18, Sierra Madre Troop 10 Brownies will have as their guest, Miss Mary Hunt, official visitor observer from the British Girl Scout Guide Association, whose headquarters are on Buckingham Palace Rd., London, England.

Miss Hunt is a guest of the Pasadena Girl Scout Council on this part of her tour throughout the United States. Her visit here is sponsored by the State Department, and is paid for by the contributions of American Girl Scouts to the Juliette Low Memorial World Fellowship Fund.

She arrived in Pasadena on April 5, and has been staying at the home of Mrs. Janet McFadden, president of the Pasadena Area Girl Scout Council, in La Canada.

Miss Hunt will be taken on a sightseeing tour to the Huntington Library, Farmer's Market, Disney Studios, Art Linkletter's program, and along El Camino Real.

Miss Hunt visited Sierra Madre last Thursday as a guest at the Girl Scout All-Camp Rally and discussed some of the differences and similarities in camping programs in England and the United States.

Dave Wood Elected Sierra Madre Mayor

David Wood was elected mayor of Sierra Madre Tuesday night by the newly reorganized City Council.

He succeeds Charles H. James, who declined to take the job again. James, of course, will continue to sit on the Council until his term expires.

Elected vice mayor was Lorraine W. Lisle, the recently elected incumbent, who succeeds Councilman Harold Roberts in that capacity. Councilmen Roberts and Herbert Harrison, after many years of service to Sierra Madre, did not seek reelection.

THE COUNCIL also made the official canvass of ballots, swore in the three elected councilmen and then adjourned briefly to elect Wood the mayor.

The total vote in the election a week ago Tuesday, including 13 absentee ballots which were counted by the Council, was 1,611. The absentee ballots, incidentally, did not change the standings in the election.

Sworn in as new councilmen were Lisle, Milton Emerson and James Abernethy. Mayor Wood, whose term will not legally expire until 1960, is expected to leave in October for a year's teaching job at an eastern university. His position probably will be filled by an appointment.

THE MAYORALTY of Sierra Madre is primarily an honorary title. He conducts the meetings and frequently represents the city at social and civic functions, but has no more authority than a regular councilman.

During his term as mayor, James, in addition to performing the duties expected of all councilmen, was noted

Morse, Pannetier Win Tennis Club Tourney

Pierre Pannetier and Larry Morse won the doubles tournament sponsored by the Sierra Madre Tennis Club last Sunday by a score of 6-4, 6-0.

Runners-up were James Holt and Gordon Greger who played off their tie match with William J. Owen and Lorraine W. Lisle, by a score of 5-2.

Pannetier and Morse receive a tennis-player statuette trophy; Holt and Greger a cup trophy. There were 24 participants.

The club expressed its appreciation to Byron C. Hopper, jeweler, for his personal contribution which included the sales and luxury taxes on the club trophies.

COL. THURBER HONORED

The Chamber of Commerce has cited Col. Walter D. Thurber for his "splendid cooperation" during March when he worked for the Chamber the entire month free of charge.

Masons Complete Planning for Education Week

A program, highlighted by a banquet this Saturday night, has been arranged by the Sierra Madre Masonic Lodge in observance of Public Schools Week.

Dr. Lowell Jackson will speak at the banquet Saturday and the local teachers and school administrators will be guests of the Masonic Lodge.

Other items on the agenda include a poster contest for school children, a program in the Sierra Madre School Auditorium at 7 p.m. Monday, and an open house at both schools on Monday from 7:30 to 9 p.m.

In the poster contest, cash prizes of \$5, \$3 and \$2 will be awarded to fifth and sixth grade students. There will be a total of six prizes, three to each class.

Talk with Russia, Says Rudd Brown

Our foreign policy and the current recession are among the most pressing problems facing America today, the Democratic candidate for Congress from this district said Tuesday night.

Mrs. Rudd Brown, speaking at a meeting in the Park House sponsored by the Sierra Madre Democratic Club, also criticized Rep. Edgar W. Hiestand for his "antique" thinking.

Listle Snavely, 48th District candidate for the State Assembly who is opposing the Republican incumbent, Frank Lanterman, also spoke.

Speaking of Hiestand, Mrs. Brown said:

"I am struck by the almost startling obsolescence of his voting record. He voted against spending federal funds for highway construction, for public schools and for a host of other things, many of which have been supported by his own Administration. He's the man most likely to be against."

She described our foreign policy as "negative and uncertain" and our relations with Russia as similar to a couple of unfriendly dogs circling each other.

"It's a lot better," she said, "to talk to the Russians, even if we have to continue for the next 500 years, than to blow each other up."

Turning to the recession, she said that at present one of every 11 persons of working age in the United States is unable to find gainful employment.

AS RECESSION remedies, she suggested broadening unemployment benefits, cutting taxes for low and middle income groups and

Mrs. Cox Dies in Car Crash

Funeral services for Mrs. Harriet A. Cox, killed in an automobile accident last Saturday, will be at 2 p.m. today in the Congregational Church. Mrs. Cox, who came to the United States from her birthplace in Dublin, Ireland, was 76 years old.

The car in which Mrs. Cox was riding, driven by Mrs. Percy Kortkamp, collided with another auto about 500 feet from the Kortkamp's desert home in the Lucerne Valley.

MRS. COX was thrown from the car and killed instantly, but Mrs. Kortkamp and Mrs. Earl D. Topping suffered only minor injuries. All occupants of the car were Sierra Madreans.

More than a year ago, Mrs. Cox was thrown from an auto in another accident and seriously injured. She spent several weeks in the hospital and was discharged a year ago this month.

Mrs. Cox was a member and past matron of the Eastern Star, the Past Matrons Club, the Sierra Madre Woman's Club and the Congregational Church.

SHE IS survived by her husband, Frank; step-sons, Robert A. Cox, Los Angeles, and John Cox, Henderson, Nev.; step-daughter, Dorothy E. Cox, Belmont, Calif.; a brother, George Altride, Riverside, and three sisters, Alice Altride, Riverside; Mrs. Mabel Alexander, Wallport, Ore., and Mrs. Frances B. Marsh, White Plains, N.Y.

Following funeral services, conducted by Rev. George Lindsay, and the Eastern Star, interment will take place in Live Oak Cemetery, Monrovia. The Ripple Mortuary Chapel is in charge of arrangements.

First Western's Deposits Reach New High Here

First Western Bank and Trust Co. here reached a new high in deposits last Friday on the second anniversary of its locating in Sierra Madre.

Deposits at the close of business totaled \$7,143,000, up from a low of \$6,700,000 on Jan. 30, 1958.

E. R. Mitchell, bank manager, said the increase may be an indication that the business recession is easing.

In December, 1956, shortly after First Western bought the bank, deposits totaled about \$7,000,000.

Barrett, Albertson, Casey Seek Posts

Three candidates announced their intentions this week to seek two vacancies on the Board of Education in the election May 20.

A fourth candidate, Claude H. Brown Jr., may also file before the deadline at 5 p.m. Friday, but as of yesterday morning he had not made up his mind.

One incumbent, Newell Barrett, announced that he would file for re-election, while the second incumbent, Mrs. Martha Coutant, has decided to retire.

OTHER candidates are Albert G. Albertson, 161 Colony Dr., and Mrs. Clark Casey, 340 E. San Gabriel Ct.

Barrett, an attorney, was appointed to the Board by a unanimous vote in April, 1956. He has been active in other civic functions, and before he moved his law offices to Pasadena, he was a member of the local Kiwanis Club.

Barrett and his wife live at 425 N. Canon Dr. They have three children.

Mrs. Coutant, who will not seek re-election, was appointed to the Board eight years ago to fill the position held by Mrs. Edith Dane. She was subsequently elected twice for three-year terms.

"I am retiring," said Mrs. Coutant, "to devote more time to my home, my family and my work."

ALBERTSON, the father of four children, is a home owner here and has been a resident of the city for 2½ years. Two of his four sons attend Sierra Mesa School and two are pre-schoolers.

A charter member of the Shepherd of the Hills Church, Albertson teaches in the Sunday School and serves on the Church Council. He is an active member of the Foothill Young Republicans Club.

He is employed as a contracting engineer for Chicago Bridge & Iron Co. A native of Albion, Idaho, he is a graduate of George Washington University, Washington, D.C., with a degree in civil engineering.

Albertson now is assistant manager of the Indians baseball team in the Little League and helped build the Sierra Madre Float for the 1958 parade. His wife, Kathy, is active in the Civic Club.

MRS. CASEY, as education chairman for the Sierra Madre PTA, has attended most of the School Board meetings for the past year or more.

She and her husband moved to Sierra Madre about three years ago from Beverly Hills, where Mrs. Casey also was active in PTA work. In Sierra Madre she worked for passage of the school tax in-

EACH of the memorial crusaders, she said, is taking part in the effort as a personal tribute to someone they know who has been lost to cancer—someone lost because research had not yet found the answer for them, or someone lost because they didn't know the early warning signals of cancer and went to their doctor too late.

"Each of the memorial crusaders will be giving her time next Tuesday night in memory, and in hope, and asking that contributions be given in the same spirit of honoring those who have been lost by helping those who can be saved," she said.

She urged every family to read the literature they will receive Tuesday night, to learn the warning signals of cancer, to act promptly if anyone in the family should have one of the signals, and, by so doing, to help in saving a life.

THE MEMORIAL Crusade, Mrs. Colvin reported, will be conducted in communities throughout Southern California from 6 to 9 p.m. the night of April 22, with more than 50,000 Los Angeles County volunteers joining the crusaders of Sierra Madre.

Enrollment in the Sierra Madre Memorial Crusade will be open through Monday, she advised, and should be made by calling the city's district information center, SYcamore 3-2494, or the closest section leader.

NO HAND BRAKE was the cause of this freak accident last Friday. The car was parked near the Sierra Madre Theater, starting rolling backwards, miraculously missed passing cars and pedestrians, jumped the curb on Sierra Madre Blvd. and hit the brick wall in front of Don Jackson's Men's Store. Also unusual, neither the car nor Don Jackson's store was seriously damaged.

Let's Get Busy Now

The Wistaria Vine Festival will end Sunday, perhaps never to open again.

Thus one more tradition which helped perpetuate the entity and independence of Sierra Madre as a city may go by the boards. All indications, in fact, point toward the eventual demise of Sierra Madre as much more than a suburb of Los Angeles and Pasadena.

The Wistaria Vine Festival, it is pointed out by Richard K. Thayer, owner of the property, has been plagued by miserable weather, poor attendance and a loss of money.

Mr. Thayer, certainly, cannot be blamed for closing the vine. Nobody can afford to lose money year after year and, in fact, the owners of the vine should not be expected to spend one cent promoting it.

It's enough that the Thayers have permitted the public use of the vine these many years. Promoting the Wistaria Festival should be a city-wide responsibility, assumed, perhaps, by the Chamber of Commerce.

The Chamber is in business not only to help merchants make money in the immediate future, but to promote the city on a long-range basis. This takes time, energy, talent and cash.

Sierra Madre has many natural attributes. It's divorced from the streams of traffic that ply the freeways and other thoroughfares, a happy circumstance, although some of the merchants may not think so.

It has an artists' colony, an unusual canyon area, a village-like atmosphere that is nearly unique in Southern California. It has an old tradition, a beautiful scenic background and a clean, efficient city government.

People clamor to live here; the surrounding area is blossoming with private homes, big supermarkets and retail outlets of all kinds.

Yet despite these good points, Sierra Madre's business community is not prospering as it should. There are too many vacant stores, too few shoppers and inadequate recreational facilities for young married couples and older people. Come sundown, the city, in the words of a recent entry on the police report, "rolls over and dies."

These are obvious facts with which nearly everyone must be acquainted. Perhaps our downfall as an independent city is inevitable, but we don't think so.

Maybe most of the people who live in Sierra Madre don't care about the city or maybe they prefer the anonymity of a so-called bedroom community. We don't believe that, either.

The opportunity to maintain and enhance Sierra Madre's prestige is here. We can retain our independence if we get busy and take advantage of our many natural benefits.

If we don't we probably will witness, in the not too distant future, the death of a once proud community.—H.W.E.

Lee Shippey asks What Do You Think?

Most of us Southern Californians who are outside the ranks of professional sports are bravely trying to act as if we hadn't noticed it, and hoping the whole country hasn't noticed it. But we have to grit our teeth behind our smiles. But can't help feeling apologetic and explanatory about the fact that the Los Angeles Dodgers did most of their pre-season training in Florida.

Most of us are hazy about the reasons why, but that doesn't prevent us from offering reasons we hope are correct. We stoutly say the arrangements for pre-season training were made before it was sure the Dodgers would come to Los Angeles, and of course we want our Dodgers to be such thorough sportsmen they will gamely carry through, even though their hearts are in California.

WE PROUDLY point to weather statistics of recent weeks as proof that anyone in his right mind would much rather be in California than in Florida, an confidently predict that next year the Dodgers in training will stay in Sunny Southern California except that once or twice they may stray over to Phoenix to lick the San Francisco Giants. We have plenty of loyal things to say if anyone brings up the painful subject, but otherwise we just keep mum and hope.

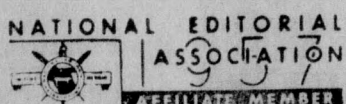

Despite our forced smiles, we are haunted by fears that those braggy Floridians will

make the most of the situation, instead of being quietly modest as we Californians invariably are. They will point to the fact that the Dodgers are in their midst as proof that theirs is the more inviting climate, no matter what the weather reports from Los Angeles. Why else, they will ask, would a team from the West Coast cross the whole United States in quest of the perfect place for pre-season training? They will gloat with glee every time a report on any activity of our Dodgers must carry a Florida dateline. The very fact that we are forced to admit, despite our modesty, that ours is the finest climate on earth will spur them to claims which are unjustified, but millions of the uninformed may think they are right.

THERE MAY even be some persons in California who will be impressed by that one solid fact, the presence of the Dodgers in Florida when Los Angeles is so eager to see them. If that is true, I have more evidence than most persons have that the Dodgers will be all ours in future years. One of my sons is at Homestead Air Force Base near Miami, so every day we compare the weather there and here. And I'll bet Walter O'Malley and all the Dodgers have often wished they were back here. So let us view this spring with resignation, and hope our Dodgers will teach those Floridians some of our Southern California modesty.

DREARY, BUT...

Dear Sir:

I am in hearty agreement with your editorial, "Age of Miracles," but even as I read it, I could discern the rumblings beginning from many irate ladies: "Well! Who does he think HE is?" "Women are free at last from drudgery!" And so on.

I will say that being fused to a dreary routine of repetitious chores can be pretty stifling to a woman's spirit. On the other hand, if the end result of all the labor and time saving gadgets is merely to release a woman to pursue an endless round of self-seeking and other trivia, she had best be home earning her keep.

Without the aid of electronics, chore-shy women have already come up with some ingenious ways of escaping their children: Parking them in front of the TV set, locking them out, seeing that they are well-integrated in as many groups as possible, and I'm sure you can add others.

It is confusing and time-consuming being a mother. But if and when this blessing is relegated to electronics, it will be a hollow victory for womankind, and I, for one, will be ready and waiting for my "hole in the head."

Respectfully,
TERRY MACKENZIE.

PEOPLE TO JUDGE

There has been considerable interest aroused over the question of voluntary unionism, or better understood as the "Right to Work" measure which it is to be hoped will appear on the November ballot for the voters to approve.

However there is much more to this initiative measure than a superficial reading would disclose. One ar-

ticle of Section 1-A reads: "It is hereby declared to be public policy of California that the right of persons to work shall not be denied or abridged on account of membership or non-membership in any Labor Organization."

Also "the principle of voluntary unionism provides a safeguard against the abuses which result from monopoly control of employment."

Many things included in this proposed measure would prevent or restrict certain practices which affect us all adversely in the matter of making a livelihood. It is certain the average citizen will give this careful consideration.

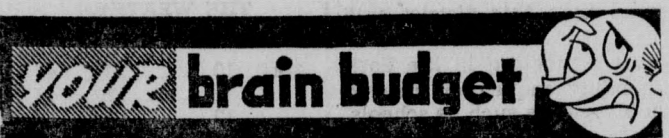

While the opposition is making a great deal of noise, it is to be remembered they are in the minority.

The writer, having made a survey of our local citizenry, is convinced that the more solid citizen and people over 40 who have the advantage of experience, and are thus able to compare the past with the present are in accord with the whole content of this measure and will endorse it, some being indignant that such a state of things has made it necessary.

This writer does not deal here with the merits or demerits of unionism in general, but finds it appropriate to quote the words of our former President Franklin D. Roosevelt when he was pressed for a decision at a time of national crisis, by the leaders of two national unions. He said, "A Plague on both your houses."

Doubtless this is being literally fulfilled, and would add: The people of California will judge the merit of this issue.

Tuesday marked the beginning of Fred Richter's career as city street foreman—and the end of 12 successful years of grading and paving practically every job in town. The business was started here in 1930 by Fred's father, the late F. W. Richter, Sr., who also owned and operated a bakery locally.

Fred took over in 1946 after a hitch in the Army, and through the years, has been assisted by his brothers, Arnie, Walter, Al, Bobby and Ernie. Arnie & Bobby plan to keep some of the heavy equipment and continue in the paving business. Just to stay in practice, Fred will have a tractor for occasional spare-time work.

HOW TO GET RICH IN A RECESSION — If you are a stockholder in some large corporation this story may make you mad or sad. If you've bought stock in the Aluminum Co. of America during the last two years it's going to make you both—mad that you bought the stock and sad that you are not a company executive.

The common stockholders of ALCOA have looked on helplessly as the value of their stock has declined from \$120 to \$65 a share in the last 2 months. While nothing has been done for the stockholders, the top executives of ALCOA have devised a way to spare themselves some of the rigors of the recession.

Not only have they managed to avoid the predicament of the ordinary stockholder; in fact they have worked out a little plan whereby four of the executives are likely to make half a million dollars. And the other high brass won't do too badly, either.

THE company officials decided to bail themselves out

of the current declining market, although the original idea of the "incentive plan" was to spur the executives to do a better job and make stocks rise in value.

But the company executives reasoned that if they had to take the same losses as other stockholders the option plans would "fail to serve their intended purpose." Or so they said in a letter to bewildered stockholders who didn't know of the change in plans until it was too late.

Under the original "option plan" executives were offered a chance to buy into the company at a price below the market level and many did. The whole idea was to spur better management.

WHO REAPS THE BENEFITS — Under this little scheme, which the stockholders didn't get a chance to vote on because they had already foolishly delegated the decision-making authority to the Stock Option Committee, these were some of the results:

Four of the six members of the Stock Option Committee stood to benefit directly from their own decision. The nearly \$50-a-share cut in price saves them about \$500,000 if they take up their options which have 10 years to run.

The four ALCOA executives who benefit most are: Frank L. Magee, president—5,000 shares; Ralph V. Davies, v. p.—1,000 shares; M.

M. Anderson, v. p.—2,000 shares; L. E. Hickman, v. p. and general counsel—2,000 shares.

While ordinary stockholders absorb the current losses, other company executives at a lower level also benefit. Of the 193,000 shares re-optional, some 27,000 goes to officers and directors. Out of a total saving of \$9,000,000 to the optionees, about \$1,300,000 will be split among company executives at various levels.

THE PRESIDENT IS TALKING SENSE — As we have had occasion to note many times before the biggest source of waste in the nation (and of your tax dollar) is what goes on in the Pentagon. Duplication, inefficiency, over-lapping—all these are the results of the inter-service rivalry. And 2/3 of your tax dollar goes for defense!

The President took this subject up at his recent news conference. He said he was going to fight for his unification plan and "don't care how strong they (the opposition) are or how numerous they are."

The President didn't name names. But he probably had in mind Sen. Richard Russell and Rep. Carl Vinson, both Georgia Democrats. They have gotten so much defense patronage for their state, Georgia is sometimes referred to as a "satellite of the Pentagon."

Sad Letter Reveals Wife's Death

By Edward Lloyd Voorhees

A few months after the American forces took over Capri from the Germans, and made it a recreational area, I had a reply to my letter to Professor Z. He was giving frequent lectures at his villa, he wrote, to groups of American soldiers, officers, and WAC's, on the history of Capri and its ancient ruins. During the American occupation, he later wrote, these successive audiences of small groups had totaled over 7,000 persons.

He further informed me that his history of early Russia, written during the war, was now being published and that I would shortly receive a copy. He concluded his letter with warm greetings, including those of Madame Y, "now my wife," he added, "and we hope you will come soon to Capri."

His own health was good, he said, but that of his wife left much to be desired. This change in Madame Y's former robust health was

bad news, for while the Professor's condition had never been critical she had always, I suspected, been his refuge and tower of strength.

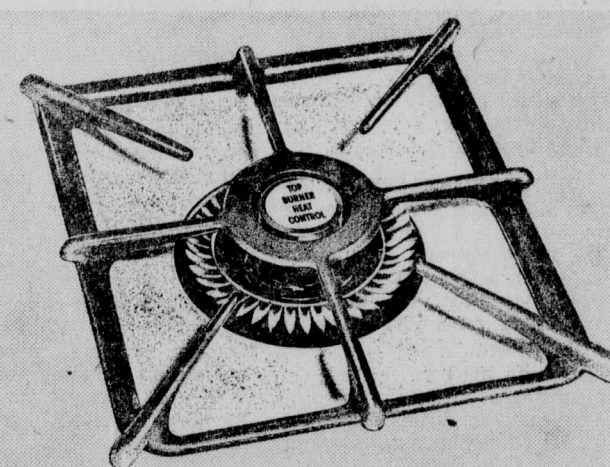

Our subsequent post-card exchanges of greetings and brief news from time to time told me of her happiness at having peace and freedom once more. They were expecting a happy reunion with the British-American couple to whom I had introduced them and who might now return from America, to their own home on the island. Then we would all have a gay reunion at their villa above "il Bagno Timberio," whenever I should visit Capri again.

But none of this was ever to be. Years slipped away until I had a heart-broken letter from the Professor, in Wiesbaden, Germany, telling me of the death of his dear wife, of her funeral and burial in the little Protestant cemetery in Capri. After that day he could not bear to remain even a not a night in the beloved villa.

INSTRUCTING a friend to list it for sale, he had left the island, wanting never to see it again. That Christmas my letter reached him at Monte Carlo. His reply showed that his spirits were still very low. But in his quiet hotel room facing the sunshine of the Riviera he had begun the second volume of his history of Imperial Russia.

Several years later, in 1956, again in Capri, I rang the bell at the gate of the villa. Yes, the caretaker answered to my question, the Professor was still the "padrone" (owner) but he had never come back since that day. Some "parent" (relations) of his wife were arriving at any moment to spend the Easter week-end. Would I enter? I did, but only the garden. I preferred to remember the studio as I had seen it first, that warm sunny day when I was welcomed by the smiles of the two friends who had together wrought all that beauty and enjoyed it—all too briefly.

Curried Shrimp Recipe Won Prize for Mrs. Nehls

By Toni Maurin
Sierra Madre 7-9634

Mrs. W. Bennet (Dorothy) Nehls, of 615 E. Orange Grove, has fun every day of her life cooking. She is an experimenter and although sometimes, she says, things come out not quite as expected, it was worth the try. Her husband, however, attests to the fact that she is better than an excellent cook.

The following recipe won 26 boxes of frozen shrimp for her in a contest a few years back.

CURRIED SHRIMP
1/4 cup melted butter
1/4 cup flour
1/2 tsp. salt
Dash paprika
1 tsp. curry
1 1/2 cups milk
3 tbs. catsup
1/4 cup cooking sherry
1 box frozen shrimp
2 cups cooked rice

Blend butter, flour and seasonings in pan over low heat; gradually stir in milk. Cook until thick and smooth, stirring constantly. Add catsup, sherry and shrimp cut in bite sizes and heat thoroughly. Serve over hot fluffy rice. Serves four. The curry should be used more or less to taste.

THE FOLLOWING recipe is delicious and makes a brand new dish out of an old favorite. Mrs. Nehls uses Spice Island herbs and spices in most of her cookery as well as the company's wine vinegars to assure a full flavor.

MARINATED ASPARAGUS
Frozen, canned or fresh asparagus may be used. Make a marinade of the following:
1/4 cup oil
2 tbs. wine vinegar
1/2 tsp. prepared mustard
1/2 tsp. salt

2 tsp. chopped parsley
2 tsp. chopped chives
1/2 tsp. (more or less) oregano

Cook asparagus according to the kind you are using, frozen or fresh. Canned doesn't need to be cooked. Place spears separately in large flat skillet and allow to stand for one hour in marinade. Heat well before serving.

Experimenting with herbs is in order with this recipe. For instance, tarragon may be used in place of the oregano.

THIS IS one of Mrs. Nehls' request recipes:

WILD RICE CASSEROLE
Saute one pound of sausage. Drain on paper towel and break into small pieces. Saute one can chopped mushrooms and two medium onions chopped (about one cup) in sausage fat.

Meanwhile, cook two cups thoroughly washed rice in boiling water (salted) 10 to 12 minutes. Drain.

Mix 1/4 cup flour with 1/2 cup milk until smooth. Add 2 1/2 cups condensed chicken broth and cook until thick. Season with one tsp. Accent, a generous pinch of oregano, thyme, marjoram, one tsp. salt, 1/2 tsp. pepper. Combine with rice, sausage mushrooms and onions that have been drained. Mix and toss together and place in a large casserole. Bake 25 to 30 minutes at 350° F. until it bubbles. Any kind of rice may be used for this recipe: wild, white, brown, or mixed white and brown. Even Fisher's Ala, which is a good substitute for the more expensive wild rice, makes an unusual dish, using the basic recipe on the box when cooking.

MRS. NEHLS is a member of the Mapha Club, and served one year as president. Her main hobby, as I said before, is experimenting with cooking. She also enjoys playing an organ. Although she says she is strictly a beginner, it is fun because you can make so much music with so little effort. She plays the organ while her husband plays the piano.

They have one daughter, Linda, who is well known in the city this year. She is 17, a senior at Pasadena High School, and the Wistaria Queen for the year. Mr. and Mrs. Nehls love to travel and are getting a collection of colored slides as a record of some of their trips.

"The Chuck Wagon" snack buffet supper will be served during the evening. For the lucky ones, there will be door-prizes and three vacation week-end awarded.

The committee's greatest effort currently is the sale of tickets. Invitations to pre-dance cocktail parties are being sent out.

All proceeds from the dance will go into the ways and means fund for purchasing new equipment and the repair of existing facilities.

Public to See Chinese Costumes At Exhibit

An exhibition of valuable costumes and textiles from 18th and 19th century China are being displayed for the first time at the Los Angeles County Museum from now until June 29.

On exhibition will be masterpieces of the weaver's art, selected from the museum's collections of Oriental art and of textiles and costumes.

Among the outstanding exhibits are such rare items as Buddhist priest robes, some of which date back to the 18th century reign of Emperor K'ang Hsi, elaborately woven in K'o ssu silk tapestry.

Also included are dragon robes worn by nobles and officials at the Imperial Court, as well as several impressive theatrical costumes of the same period.

Most of the material in the exhibition was donated to the museum by Miss Bella Mabury, prominent Southland patron of the arts, who acquired many of these pieces in the early 1900's in China.

'Tunnel of Love' Now Playing In Hollywood

Tommy Noonan and William Bishop head the cast of experienced players in "The Tunnel of Love," that hilarious comedy hit which ran for two seasons on Broadway and is now playing on stage at the Huntington Hartford Theatre in Hollywood until May 3.

Performances are presented nightly except Sunday; matinees Wednesday and Saturday.

Noonan is well known here for his stage, screen and TV work. He scored as partner in the team of Noonan and Marshall on the George Gobel show and in the picture "The Girl Most Likely," as well as on his stage appearance in "The Seven Year Itch."

William Bishop is a well established name on the screen and as co-star with Michael O'Shea and James Dunn in the TV series, "It's a Great Life." His latest picture release is Paramount's "Short Cut to Hell."

"The Tunnel of Love" deals anticlimax with a Westport couple who struggle valiantly and hilariously to adopt a baby. The lively action takes place when the couple and their references, neighbors and friends come under the microscope of case workers from the adoption agency. Along the way the authors, Joseph Fields and Peter DeVries, give the Madison Avenue hucksters (who can't live on \$20,000 a year) a rough going over.

News of the Churches

MEMBERS OF MT. ALVERNO Guild in charge of the dessert-card party April 25 in the Arcadia home of Mrs. Earl Snyder, 990 Fallen Leaf Rd., are, from left, Mrs. Earl Snyder, Mrs. Frank Mitchell and Mrs. Walter Fleming. (Story on Society Page.)

Lutherans to Hear Guest Pastor Sunday

Guest preacher at Shepherd of the Hills Lutheran Church on Good Shepherd Sunday, April 20, will be the Rev. Ray B. Nassen, pastor of Redeemer Evangelical Lutheran Church, El Monte.

His message will emphasize the needs of the church for youths, men and women to serve in full-time Christian service. Meanwhile, the local pastor, the Rev. Ray E.

Rev. Ray Nassen

Hansen, will preach a similar message at Ascension Lutheran Church, Baldwin Park.

Pastor Nassen served St. James Evangelical Lutheran Church in Central Valley, Calif., before coming to El Monte. He was reared in central Iowa and was in the printing business before going to Midland College, Fremont, Neb., and the University of Omaha. He received his Bachelor of Divinity Degree at Pacific Lutheran Theological Seminary at Berkeley, Calif., in May, 1955.

Pastor Nassen will conduct the 10 a.m. service in the Upper Room of the Woman's Clubhouse, 270 W. Sierra Madre Blvd. He also will teach the Bible class at the 9 a.m. Sunday School.

Pastor and Mrs. Nassen are personal friends of the Hansen family.

Shepherd of the Hills

EVANGELICAL LUTHERAN CHURCH (UNITED)
 Upper Room, 270 W. Sierra Madre Blvd.

WHY GO TO CHURCH? In Church you hear the Word of God. . . the Bible promises great and sure blessings to hearers. . . hearing the Word does something for your life. . .

GOD'S WORD WILL set you on a rock of certainty. . . "Everyone who hears these words of mine and does them will be like a wise man who built his house upon the rock; and the rain fell, and the floods came, and the winds blew and beat upon that house, but it did not fall, because it had been founded on the rock." Matthew 7:24, 25.

GOD'S WORD WILL give you faith for the future. . . "Faith comes from what is heard, and what is heard comes by the preaching of Christ." Romans 10:17.

GOD'S WORD WILL grant you happiness in hearing. . . Jesus said: "Blessed are those who hear the Word of God and keep it." Luke 11:28.

GOD'S WORD WILL accomplish God's purpose for you. . . "For as the rain and the snow come down from heaven, and return not thither, but water the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall My Word be that goes forth from My mouth; it shall not return to Me empty, but it shall accomplish that which I purpose, and prosper in the thing for which I sent it." Isaiah 55:10.

GOD'S WORD WILL give you eternal life. . . Christ says: "He who hears My Word and believes Him (God) who sent Me, has eternal life: he does not come into judgment, but passes from death to life." John 5:24.

THE BEST WAY to hear God's word for you is to come to church regularly!

TODAY'S THOUGHT—The happiest persons in the world are in church on Sunday.

Fortnighters To Meet

The Book of Revelations, sometimes called "the most misunderstood book in the Bible," will be the topic of discussion of the Fortnighters, adult discussion group at the Congregational Church.

Used since the Third Century as a guide to current political events, this controversial book has often been repudiated by more conservative Christians. Those interested in a guide to its contents are invited to attend the discussion in the church parlor, Friday at 8 p.m.

Rev. George Lindsay will give an historical background of the book, and indicate its literary sources. Then there will be an opportunity for questions.

On the following two Sundays, April 20 and 27, Rev. Lindsay will preach on the Book of Revelations. His topics will be "The Times of the End" and "A Christ for Crisis."

'Friendship' Is Topic of Rabbi Steckel

Rabbi Charles W. Steckel will speak on "The Idea of Friendship" Friday evening at 8 o'clock at Temple Beth Israel. Stewart Allen Baron will be honored for his coming Bar Mitzvah.

Mr. and Mrs. Sol Baron of Arcadia will be hosts at the Oneg Shabbath following the services.

Saturday morning services will start at 9 o'clock. During these services Stewart Baron will be Bar Mitzvah. The Junior Congregation will participate.

THE ADULT Class of the Foothill Jewish Community Center of Temple Beth Israel will meet at the home of Mr. and Mrs. Jack Zelkowitz, 405 W. Hillcrest, Monrovia, on Tuesday, April 22, at 8:15 p.m.

Dr. David Splaver and Rabbi Charles W. Steckel will present papers on "Jewish Contributions to American Civilizations."

Rev. Schulz To Speak

At the 10:30 a.m. Sunday service of Faith Lutheran Church, 835 Hastings Ranch Drive, Rev. R. E. Schulz of Temple City will be the speaker, according to Rev. Armin Hesse, pastor of the congregation.

Rev. Hesse said that Rev. Schulz serves as "circuit visitor" in the churches of the Lutheran Church-Missouri Synod of this area. The visitor acts as consultant for the churches and pastors of a defined area, and as such is expected to visit the congregations each triennium.

Rev. Schulz will present a lecture and question period for the Bible classes at 9:15.

Girl Scout Notes . . .

Sue Maloney Honored By National Scout Group

In recognition of her outstanding performance as a Girl Scout, Sue Maloney, Sierra Madre Mariner Scout, has been selected by the National Girl Scout Association to be one of two delegates from California to attend the All-States Camp in August.

The camp, situated near Peoria, Ill., will be hosted by the Kickapoo Girl Scout Council, and is designed to bring Girl Scouts from all over the country together for the exchange of ideas and experiences, to strengthen the Girl Scout program, and this year to provide greater opportunities in pioneer camping.

Since the camp is in Lincoln's country, the theme for this year is "Pioneer Heritage."

Sue is a member of Mariner Ship 3, the "Sea Nymph," of which Mrs. Charles Peterson is the skipper. Sue has served in all capacities in her troop. Last year she held top office as officer of the deck for her ship, and this year is boatswain. She is also currently serving on the Senior Planning Board of the Pasadena Area Girl Scout Council.

Sierra Madre girls who are interested in senior scouting, Former Scouts or new girls may join. Previous scouting experience is not necessary.

To achieve senior scout membership, eight requirements must be fulfilled:

Knowing the Girl Scout promise and laws, knowing aims, history and purpose of the Girl Scout program, knowing the purpose of the World Association of Girl Guides, knowing the meaning of Democracy, participating in a community service project, payment of annual dues, and attendance at four meetings.

Following completion of the membership requirements, the next step consists of the 5-point program which covers camping, service projects, emergency preparation, knowing about the Girl Scout Council and expansion of interests.

After these, the Girl Scouts may go into the more specialized Mariner, Mountaineer or Trailblazer Scouts. Interested girls may call Kathy Brown, ELgin 5-9693, or Sylvia Hays, ELgin 5-6048, for further information.

Whooping Cough Shows 150% Increase for Year

(Presented as a public service by the Foothill District of the Los Angeles County Medical Association)

coughing spells may occur in an hour, leaving the child extremely weak.

The 150 per cent rise in the amount of reported cases of whooping cough in Los Angeles County over last year has local Public Health officers more than a little concerned.

Their concern is justified because whooping cough is not, as many people believe, just another one of those harmless childhood diseases. With its secondary complications, it accounts for more deaths in infants under one year of age than measles, mumps, chicken pox, scarlet fever, German measles and poliomyelitis combined!

THIS IS THE most serious stage of the disease and it is then when complications may occur. These can be quite serious. Most common is earache. Bronchopneumonia can develop because of the increased sensitivity of the bronchial tubes. Cerebral sclerosis, injury to the brain, may result from severe spasms of coughing. Convulsions may occur from inability to breathe for many seconds, even minutes. Nose, throat or ear hemorrhages may occur, and heart dilation may develop during a spell resulting in sudden death.

Fortunately, whooping cough is a disease for which specific immunizing agents are available. Up to 95 per cent of cases can be prevented by the administration of the special vaccine which is readily available to everyone. And yet, many parents, either through lack of concern or misguided opposition to vaccination, fail to have their youngsters protected.

During the third stage, or convalescent period, the disease gradually subsides, with lessening fever and reduction in coughing. The condition may flare up again, however, if any sort of a cold is acquired during this time. It is possible then, that the child may apparently be getting repeated cases of whooping cough for several months or even a year.

WHOOPING COUGH is a highly contagious, germ-caused disease which is spread from person to person by sneezing and exhalation. The patient is especially contagious during the early stages of the disease, even before the typical "whoop" is noted.

Science and medicine can prevent whooping cough. But only if children are inoculated with preventive serum. Responsibility for whooping cough rests squarely with the parents.

Usually the disease lasts for several weeks. The first noticeable stage of the disease has symptoms much like those of a mild cold, characterized particularly by a dry cough, especially at night. A slight fever usually is noted at this point.

The fever then rises slightly for another week or so, the cough dragging along until it develops the characteristic sound. At this time, the child's face may become congested and bluish from the violent coughing; he may vomit, and the coughing may cause hemorrhages in his eyes.

The cough is an attempt to dislodge a thick, tenacious mucus in the throat which doesn't come up easily. As many as 20 or 30 of these

VILLA VIEWS

By Toni Maurin
STeamore 7-9634

I've been chuckling all week when I recall that childhood story about the North Wind and the Sun. So it goes with the rain and sun.

Suddenly the worm turned and Old Sol beamed down again last week. From out of nowhere came an onslaught of vacation brochures, pool salesmen arrived at the door with damp brows warning that we really ought to put a pool in soon to take advantage of the warm weather, the mode of the day swiftly switched from hip boots and so'westers to activity garden-wise and old friends are meeting curb side again. In other words, officially spring may have sprung, but it really arrived last week.

MR. AND MRS. Frank E. Clark bid farewell to Mrs. Clark's sister and her husband, Mr. and Mrs. Willis H. Bedell. They were visiting here from Flint, Mich., for a couple of weeks. They also spent some time with the George L. Dormans of Sierra Madre. Between storms they took in quite a few of the local sights.

DR. AND MRS. Casimir Harris and their two children, Jay, 14, and Bonnie, 11, moved into their new home at 1705 Kinneloa Mesa. They have been in a semi-camping state for several weeks, using a trailer and their work room to live in. However, the house is completed and the long settling job has now begun. They moved up on the hill from Galbreth Road in Pasadena. Dr. Harris is at St. Luke Hospital.

THE KINNELOA Mesa Hill-toppers had a big community party last Saturday evening. Around 30 couples met at the J. C. Wilfong home on Mesa Loza Lane for a community cocktail party, after which they all went out to dinner. The party came back to the Wilfongs and danced till the wee small hours. All land owners and residents had been invited to the gathering, but due to conflicting engagements, a great many were unable to be on hand.

THE JACK MILNE family of 3154 Meyer Loza Lane have been having a wonderful time. Over the holiday they took their 13-year-old daughter, Joanie, to Arizona with them. They visited friends up near Wagoner, with 46,000-acre cattle ranch, and arrived in time for the branding, cropping and de-horning operation.

Last week Mrs. Milne gave a very fascinating luncheon. The guests alternated between playing cards and pool (they all found out that this is not a sport exclusive to men). Among the guests were Mesdames Karl Dietzel, Larry Dietzel, John Allin, Wayne Furstenberger, Dan Marvosh, Ward Clark, L. T. Greiner, Neal Batterson, John Willis, John Wilfong and William Nash.

DAVID A. ELMER of 3480 Fairpoint returned last week from a six-week business trip to C. F. Braun in New York City. I asked him if he got to see much of the town and he said he was too cold and too busy all of the time.

MR. AND MRS. Aikman returned from a six-week business trip to C. F. Braun in New York City. I asked him if he got to see much of the town and he said he was too cold and too busy all of the time.

Alpha Gams Give Award To Dr. Kaplan

In recognition of his outstanding services to our country, the Alpha Gamma Delta alumnae of Southern California have presented a plaque to Dr. Joseph Kaplan, chairman of the United States National Committee on the International Geophysical Year, professor of physics at the University of California at Los Angeles.

To have been presented at their annual International Reunion Day luncheon, Dr. Kaplan's plans to speak were revised because of a sudden trip to Europe. He is remembered by many as faculty sponsor during their undergraduate days.

Dr. William Welch Kellogg, head of the Geophysics Group at Rand Corporation, will address over 500 Alpha Gams Saturday in the Cocanut Grove of the Ambassador Hotel.

The "Out of This World" theme has been developed in the unusual table decorations to be used. Children in outer space travel costumes will announce the serving of the luncheon as large and small groups gather to broaden contacts and to strengthen the bonds of friendship, which the purpose of the luncheon serves. Throughout the country and a broad approximately 275 similar groups are holding their annual reunion in various ways.

Undergraduates from chapters at UCLA and USC will present their reports to the alumnae and sing a medley of college songs as those attending reminisce.

Don Benito Schedules Social Hour

Don Benito PTA's second annual Ice Cream Social, given in conjunction with Public School Week, will be held on Thursday, April 24, from 6:30 to 9 p.m.

Ice cream, homemade cake and coffee will be served in the school cafeteria.

Progress displays on different sections of the curriculum, reading, spelling, arithmetic, science, history and social studies will be in all classrooms.

Miss Grace McFarland, school principal, "extends a cordial welcome to anyone interested in seeing the displays in our buildings."

Pasadena Public School Week is sponsored by the Masonic organization and Don Benito will be host to representatives from the Mason's San Pasqual Lodge.

Mrs. Richard W. Bell, hospitality chairman, and Mrs. Warren Cline, room representative chairman, are in charge. Assisting are Mesdames Rod Carley, Stuart Marsee, Frank McKibbin and Bertram Potter.

Shakespeare Juniors Have Last Meeting

Members of Shakespeare Juniors will have their last social meeting of the club year April 23 at 7:45 p.m. in the clubhouse.

Installation of the officers elected at a recent meeting will be held at the annual Mother-Daughter Banquet scheduled for May 21 in the clubhouse.

The group heard Mrs. LaVerne LaMotte, introduced by Mrs. Daniel H. Rogers, sports chairman, speak on "Headaches and Highlights" of being a member of the Pasadena Board of Education.

The sports section is sponsoring beginners classes in golf, with the first starting yesterday and the second today at the Altadena Golf Course.

The arts and craft section will meet tonight at 7:45 p.m. in the clubhouse to decorate patio food covers.

The entertainment committee made arrangements for the annual Easter Party, with members and their children in attendance. This year's event followed a "Circus" theme and was held in Washington Park.

"Goo-Goo the Clown" presented a program and led the children through their traditional Easter Egg Hunt before the picnic lunch was served.

Mrs. John M. D'Zurko, general chairman, was assisted by Mrs. Edward P. Fleischer, Mrs. Claude R. Hickman and Mrs. Claude R. Kohlase.

PCC Annual Music Review April 18-19

"Say it With Music" will be the theme for Pasadena City College's annual "Spring Festival of Music" this year. Performances are scheduled for tomorrow and Saturday nights at 8 in Memorial Auditorium on the campus and will feature the talents of more than 100 students of the college music department.

Prof. Chester C. Crill, head of the school's music department and co-producer of the event, has announced the opening scenes will find the entire cast setting the program's theme with a medley of songs from Romberg, while the finale will again feature the entire cast in a medley of patriotic songs entitled "Ode to America."

The entire production, staged on a three-level stage constructed especially for this event, will include a series of three production scenes — "Springtime Anywhere," "Springtime at College" and "Springtime in Ebony."

Co-producers and directors with Mr. Crill are Richard A. Friesen and Rex Hicks, both of the college music faculty.

Tickets for both performances may be purchased at the window just prior to the individual performances. No advance sale is planned.

FINAL ARRANGEMENTS and a check of reservations are being made by (from left seated) Mrs. Kirk Lewis, Mrs. Skipper Rostker and Mrs. Robert Hunt (standing) Mrs. Conrad Walburger, for the dessert-bridge benefit, sponsored by Delta Delta Delta alumnae of Pasadena next Monday in the home of Mrs. Lewis, 3815 Newhaven Rd. Proceeds will provide scholarships for deserving women students.

Hastings Teen Times

By Renee Lauchlan
ELgin 5-9742

Hi everyone! I'm really sorry I didn't have a column last week. I was out of town and didn't know what was going on.

NANCY EVANS and Judy Davis spent the week of Easter vacation in Palm Springs. Barbara Jones went to Phoenix, Ariz.

MR. BROOKS, 9th grade English and social studies teacher, went to San Francisco. The rain and floods didn't discourage him.

LOTS of the kids just stayed home and rested up. Some even worked on homework. Imagine that!

MISS HOUGASIAN'S Senior Glee Clubs have been working real hard. We are giving a performance at P.H.S. Wednesday, April 23, 1958. This is a spring music festival, where all the schools get together and sing. We are singing three numbers.

IN MR. O'Connor's 6th period speech class we had student teachers. Each pupil had to get up in front of the

class and instruct the class on some subject. It was really a blast.

CHRIS DINWIDDIE, Christy Markell, Dixie Grieve and Sara Bolar went to Palm Springs for three days. They all came back with provided hair and good sun tans.

KAREN SCHMIDT, Linda La Rue, Terry Bohn, Tish Arendt, Jane Griggs, Genell Jensen, and Carol Galbraith all rented a house at Newport for the week. They went swimming despite the rain, played cards and walked along the shore a lot. On an average they got to bed at 2 a.m. every day.

THE GIRLS who made the fashion show are, seventh graders, Barbara Paige, Cheryle Heath, Sharon Otis, alternate Pat Emery; eighth graders, Wendy Booth, Joanne Schmale, Margaret A. Smith, alternate, Sharon Meyers; ninth graders, Jan Nash, Janet Smith, Jane Parks, alternate Diane Reese; tenth graders, Sharon Leshner, Kathie Probasco, Linda Zazio, alternate, Maureen Wride. This year's fashion show is put on by Field's of Pasadena. Congratulations, girls.

DOOR PRIZES to be awarded at the Hastings Ranch Nursery School's dinner dance scheduled for May 3 in the banquet room of the Huddell at the Flamingo Hotel in Arcadia are being checked by (seated) Mrs. Max Marco, party chairman, and (standing) Mrs. W. R. Pankey, school president, and Mr. Pankey.

Recreation Dept. Plans Camp Course

How to camp and feel at home out-of-doors will be taught families tonight at the sixth annual family camping course offered by the Pasadena Department of Recreation and the Pasadena Casting Club at Jefferson School auditorium, 1500 E. Villa St., starting at 7:30 p.m.

There will be six two-hour sessions on Thursday evenings and a practice camping trip will be scheduled to Chiloac Campground after the fifth session on May 16, 17 and 18.

Instructors will be available to help beginners. Ted Pearson of the Recreation Department staff and Walter Powell of the Casting Club will head the staff of trained camping experts. Advance registration is requested before 5 p.m. by calling the Recreation Department, SYcamore 3-9177.

It's WOPAPA Time Again For Camp Fire Parents

Jeans and old shoes, plus lots of food and lots of fun, will be the order of the weekend when families of Camp Fire Girls and Blue Birds of the Sierra-Hastings area got together for a WOPAPA at the organization's mountain Camp Wasevagen May 3 and 4.

WOPAPA means quite frankly "Work Parent Party," using the first two letters of the three words, but even with the knowledge of the work involved in setting up the camp for summer use, the parents eagerly make reservations.

The weekend is organized in detail, with mothers, who wish to, doing all of the cooking. The older boys and girls draw the table setting, dish washing and other kitchen jobs. Younger ones rake a winter's fall of pine needles away from camp buildings, according to fire regulations.

Fathers set up tents over permanent platforms, unpack cots, and do other jobs as the time will allow. Boys move rocks that have tumbled onto paths during winter storms. Mothers mend mattresses and take time out to exclaim over various bugs and other treasures the younger children spend their time seeking.

There is time for games and talk, cups of coffee for the grownups, lemonade for the children. There's a big program Saturday night with everybody participating.

Paul Kaponyas Visit Alisal

Mr. and Mrs. Paul G. Kaponyas, 1205 Pine Bluff, spent last week-end at Alisal Ranch in the Santa Ynez Valley.

Prior to their visit at the resort, they spent two weeks in the East.

Delta Sorority To Long Beach For State Day

The Petroleum Club in Long Beach will be the scene of the Delta Zeta State Day luncheon and program to be held Saturday. The theme of the day will be "Building for Tomorrow."

Luncheon will be served at noon for all members of Delta Zeta in the Southern California area. The featured speaker at luncheon will be Mrs. Betty Marshall Graydon, U.S. Commissioner of San Diego, herself a Delta Zeta and lawyer formerly of Los Angeles.

Also of interest on the State Day program are the presentation of a check to a representative of the Unibet Camp for Diabetic Children, and reports on activities of the four local college chapters. Scholarship and activity awards will be presented to members of the local active chapters and the Alumnae Service Award will be presented to the outstanding Delta Zeta alumnae for continuing service to the sorority.

Pomona Alums Meet In Ranch

Mrs. John Kirkland, 1515 Riviera Dr., Pasadena, was hostess to the Pomona College Alumnae Club of Pasadena.

Dr. Shelton L. Beatty, dean of men at Pomona College, spoke on "Learning From Students and Universities—Europe 1956-57."

Dr. Beatty and his family spent last year in Europe visiting various universities and cultural centers. He cornered himself with Spain in particular in his talk. Dr. Beatty received his B.A. from the University of Tennessee, M.A. from Cornell University and Ph.D. from Stanford. He has been dean of men at Pomona since 1949.

The club includes women who have attended Pomona College and now live in Alhambra, Altadena, Arcadia, La Canada, La Crescenta, Monrovia, Monterey Park, Pasadena, San Gabriel, San Marino, Sierra Madre, South Pasadena, South San Gabriel and Temple City.

Field Sets Open House, Ice Cream-Cake 'Social'

The year's biggest day for pupils, parents and teachers of Eugene Field School will be next Wednesday, when the school has "open house" and celebrates good work done through the year with ice cream and homemade cake in the cafeteria.

VERSATILE GINGER... Perennially popular screen actress Ginger Rogers sings and dances during her first Las Vegas night club engagement.

The day is especially rewarding to the children, for they have the opportunity to show their parents the work they have done, and point out their paintings and other work on display.

Parents may see their children's work in relation to others in the class, and join in their children's enthusiasm over this year's accomplishments.

Over them all the teachers will be beaming while they receive congratulations from the mothers, and particularly the fathers, whom they have little opportunity to meet.

The open house is in connection with Public School Week which is celebrated Monday through Friday of next week.

The event will open at 6:30, with ice cream and cake donated by mothers being served for an hour before the classrooms are open for inspection. Dessert will continue to be served through the evening, which will end at 9 o'clock.

Ranch Guild Rummage Sale April 18

Hastings Ranch Guild of Cystic Fibrosis Foundation will hold its annual Rummage Sale April 18 and 19, from 9 a.m. until 5 p.m. at the former William Fisher Beauty Salon, 147 W. Sierra Madre Blvd.

Articles to be sold will include antiques, good used tricycles for tiny tots, furniture and clothing in all sizes.

All proceeds from the event will go toward the research program at Children's Hospital.

Bishop Bloy Celebrates Tenth Year

Tribute will be paid by some 12 Episcopal Bishops from the Western States to Bishop of the Episcopal Diocese of Los Angeles, joining the many hundreds of Southern California Episcopal clergy and laymen honoring Bishop Bloy during the three-day special observance (April 20-22) of the 10th anniversary of the Bishop's consecration as the third Bishop of Los Angeles.

A massed choir of 350 singers selected from the choirs of the 178 Episcopal churches in Southern California will sing at the great Service of Thanksgiving and Dedication on Sunday, April 20, at 4 p.m. in Hollywood Bowl, which will open the anniversary observance. More than 300 clergy will be in the vested procession.

Outstanding church and community speakers will address the testimonial dinner April 21, at 7:30 p.m., in the Coconut Grove of the Ambassador Hotel. On the same day, at 10 a.m., in St. Paul's Cathedral, the Bishop will celebrate Holy Communion for his clergy, their families and the visiting Episcopal dignitaries.

The three-day celebration will conclude on Tuesday, April 22, with a Bishop's Garden Party from 1 to 4 p.m. at the Bishop Johnson College of Nursing of the Episcopal Hospital of the Good Samaritan, Shatto and Lucas Sts., Los Angeles.
